

Boat Registration Checklist

copy of ID/passport

Copy of any valid official document (scanned or photographed). Mostly national ID card or passport. For boat with more than 1 owner, we need copies of ID/passport of every owner.

boat technical document

It can be: builder's certificate, CE, old registration. For owners who do not have such documents anymore, we can prepare statement which should be e-signed via our platform.

bill of sale/contract/invoice

Any prove of ownership will work. For extreme cases we can use separate statement of ownership.

document of de-registration from previous flag*

* to be provided if relevant

signed power of attorney

provided by us

for boats with engine above 35kW

engine document and/or photography of engines plate
